Subject: Conditional Approval to Commence Large Mining Operations, Geneva Rock Products, Inc., Center Creek Quarry Mine, M/051/0013, Wasatch County, Utah

Dear Mr. Sumsion:

The public comment period has ended and the Division has not received any substantive comments other than a letter from the Wasatch County Commission where they reaffirmed the terms and conditions of the County Conditional Use permit. The Division does not have jurisdiction to enforce the requirements of Wasatch County, but approval of a Notice of Intention does not relieve an operator from complying with other agencies' requirements.

The Division approves the Notice of Intention to Commence Large Mining Operations conditional upon receipt within 90 days of the following items.

1. Two copies of the complete and corrected plan. When final approval is issued, one copy will be stamped "approved" and returned to you for your records;
2. A Reclamation Contract (Form MR-RC) and reclamation surety in the amount of \$416,000. Please contact Penny Berry at 801-538-5291 or by e mail at [bondcoordinator@utah.gov](mailto:bondcoordinator@utah.gov) to obtain the appropriate bond and reclamation contract forms.
3. If available, an electronic copy of the mine disturbed area in the original autocad, shape, or other file format. Please include the projection and datum information with this file. Contact [danielsmith@utah.gov](mailto:danielsmith@utah.gov), (801)538-5292 for further information or questions.

Thank you for your cooperation and patience in completing this permitting process. If you have any questions regarding this letter, please contact Paul Baker at 801-538-5261 or Leslie Heppler at 538-5257.

Sincerely,

Dana Dean, PE  
Associate Director of Mining
